

ARUNACHAL PRADESH

Land of rising sun

Date Of Establishment

Arunachal Pradesh was established as a state in India on **February 20, 1987**. Arunachal Pradesh was initially a Union Territory which was carved out of Assam. Arunachal Pradesh was known as the North East Frontier Agency (NEFA) during British India and the Republic of India until 1972.

CAPITAL

How did it get its name

- The North-East Frontier Agency was renamed as Arunachal Pradesh by **Sri Bibhabasu Das Shastri**, the Director of Research and K.A.A. Raja, the Chief Commissioner of Arunachal Pradesh

State emblem

How did Itanagar get its name

- The name Itanagar literally means "Fort of bricks"(brick being called "Ita" in the Assamese language). The Ita Fort was built as early as the 14th or the 15th century. The fort has an irregular shape, built mainly with bricks dating back to the 14th-15th Century

Climate

- Due to the topographical diversity, the climate in Arunachal Pradesh ranges from sub-tropical to temperate depending upon the altitude. The regions in the lower belts of the state experience hot and humid climates, with a maximum temperature in the foothills reaching up to 40 °C (during the summer). The average temperature in this region in winter ranges from 15° to 21 °C while that during the monsoon season remains between 22° and 30 °C.
- The areas around the middle belt of Arunachal Pradesh are relatively cooler. The middle belt in Arunachal Pradesh experiences micro thermal climate. Moreover, Arunachal Pradesh possesses an alpine climate in the higher altitudes of the state. The higher regions of Arunachal Pradesh witness snowfall during winter. The snowfall draws large number of tourists to the state from all across the world.
- Arunachal Pradesh experiences heavy rainfall during May to September. The average rainfall recorded in Arunachal Pradesh is 300 centimeters, varying between 80 centimeters and 450 centimeters.

A scenic landscape photograph featuring a mountain town. In the foreground, there is a dense forest of green trees. In the middle ground, a cluster of buildings, including a prominent white building with a red roof, is situated on a hillside. The background is dominated by a large, rugged mountain peak with patches of snow or light-colored rock, partially shrouded in white clouds. The sky is a pale blue with soft, white clouds. The overall scene is peaceful and picturesque.
